### How to Post Yourself or Company on the SAS® CONSIG Web Site

Due to increasing inquiries about being posted on this site, I am trying a more efficient way to answer your questions and acquire the information needed to make a page for each of you. Just download this page and provide the appropriate information needed, and then forward it to my email address [Charles S Patridge@prodigy.net](mailto:Charles_S_Patridge@prodigy.net). I will make every effort possible to have your web page up and ready within 48 hours.

*All rates are pro-rated from the current month to next March, the beginning of my fiscal year. If you (a company = \$240/year) wish to post and the current month is June, then your cost will be for 9 months at \$20 per month equals = \$180.00 (9 mos. times \$20).*

The rates are as follows:

- *Again, the opportunity to advertise your company, product or yourself on the front page of this web site, or to be listed in "Job of the Week" section every week for the entire year for \$480 plus a \$50 setup/administration fee as a sponsor of this web site. Less than \$1.45 per day !!! This fee will be used to sponsor a charitable organization (St. Jude's Hospital, American Red Cross etc.).*
- *For any company wishing to be part of this program but no space currently exists for fulltime display, I have made it possible for 3 or 4 more companies to have their company logo displayed randomly in the far left hand bottom window of the main web page. Your company logo will display approximately one third to one fourth the time a visitor enters my web site. The cost for this random display of your company logo is \$410.00 of which \$300.00 will go to a charitable organization of your choice and \$110 is for setup/administrative fee. You will receive the other benefits such as being listed every week in the "Jobs of the Week" section.*
- If you are a **PERMANENT CORPORATE SPONSOR (\$530/year)** see above paragraph, or
- If you are a **PARTIAL CORPORATE SPONSOR (\$410/year)** see above paragraph, or
- If you are **UNEMPLOYED (FREE)** and wish to post your resume, or

For example, suppose you have 11 branches, then your annual fee would be \$330.00 ( $27.50 \times 12 = \$330.00$ ).
